The Lace Is On

And it's moving in countless directions for fall. Lingerie designers worked lace in a bevy of looks, from sweet and delicate to sexy and revealing.

La Perla's polyamide, polyester and elastane lace slip worn over Cosabella's polyamide and elastane bra and briefs.

Garden Delights

French are long a favorite and for designers, and for fall they worked the pattern in a rich palette of painterly abstraction. Here, in Florence, the Italian's polyester, lace-edged bra and shorts and nylon and spandex lace shorts. For more on the season's trends, see pages 8 to 24.
