

**AND NOW FOR A PSA...**  
Beach bound? If skin's been hibernating for winter, a tropical sunburn can actually increase your risk of melanoma more than a summer one can (it's called acute intermittent sun exposure), studies say. Stay safe with a double layer of SPF 30.

**SUNSET SKIN**  
What's more gorge than a coral-and-pink-kissed sky? You, when you wear these face-flattering hues.

**PRO TRICK** Stick to cream textures. It makes blending easier and creates a born-this-way glow. The three things you'll need: illuminating foundation, bronzer, and coral blush.

**PRODUCT PICKS** Philosophy Miracle Worker Foundation, \$40 (all over), Chanel Soleil Tan de Chanel Bronzing Makeup Base, \$48, plus Clarins Multi-Blush Cream Blush in Grenadine, \$30 (both on cheekbones)  
Tank, Trina Turk, \$148; bra, Cosabella, \$90; skirt, Costume National; bracelets, Nissa Jewelry, \$39 each
